

Description

Heavy Duty Multi-purpose Tool kit - Interchangeable nose

This heavy duty production tool installs 3/16" & 1/4" Structural rivets and two-piece fasteners quickly and with minimal impact. The tool can install Magna-Grip® and Magna-Lock with noses provided in the kit to suit. This tool is excellent value for Truck and Trailer OEM and repairers. If required, a separate C6L nose assembly will allow this tool do install the C6L style lockbolts.
